## RECENT FRANCHISE

+ Working 80-100 hours per week, in debt to your franchisor: NEVER AGAIN!

+ Selling, convincing, and explaining: ELIMINATED!

+ Cold calling, selling to your friends and family: ELIMINATED!

+ Multi-Level-Marketing: NEVER AGAIN!

Imagine operating an exclusive marketing system that that does 100% of the selling, telling, explaining, qualifying, and closing for you.

A proven, reliable system that generates multiple income streams, with a built-in funded proposal, covering most of your marketing costs.

A marketing system where the only phone calls you make are to welcome new consultants to your team, once they have paid you directly, and you've earned a \$1,000-10,000 commission.

Competitors are stunned and left scratching their heads as our proprietary Sales and Marketing System generates thousands of dollars a day for its members VIRTUALLY ON AUTOPILOT!

Remember, you will be joining an exclusive group of the industry's top leaders, who donate their time to train and support you and your business one-on-one. This is statistically proven to be a HUGE benefit to your success. So in order for us to dedicate our time effectively to coaching new entrepreneurs, we have to be selective with our applicants.

See how you could earn a realistic \$250K First Year Income potential with the most powerful marketing system on the planet!
